## WHAT'S YOUR NUMBER?

### Number

The devil has a name that is a number, 666. In the bible different numbers mean different things, like, **10** is the number of the gentiles, **3** Trinity, **7** completion and so forth. As a born again child of God you also have a number, actually **2** numbers. One is the one that God dials to get your attention and is found in the **Word** of God... prefix - 777. The other is found in the world... prefix - 666. Please notice that the only difference between world and word is the letter "L"... again, one must add to the **Word** to conform to the world, are you hearing me? It sounds a little something like this, "yes, but...". Their remains a difference that is yet

to be discussed and that is the difference in "access". In order for God to dial your number you need to desire the word and then open your heart... In order for the devil to dial your number he needs only wait until you lack faith or you feel spiritually weak or when you are just about to give up... then he urges you to close the book and open your eyes as to tempt you with the world. It happened to The Lord, remember? So what makes you think it won't happen to you? Desire the sincere milk of the word.

Seek help from stronger brethren and one day someone will seek help from you. God Bless.

In keeping with the scriptural method of bible study, we must let the scripture define Himself. There is no room for private interpretation. - **2 Peter 1:20**

In **Genesis 13:16** we see the first mention of **number:**

“And I will make thy seed as the dust of the earth: so that if a man can **number** the dust of the earth, then shall thy seed also be numbered.”

## Remembering our Brethren (sisters)

**Appollonia (1539)** Sister Appollonia, wife of Leonard Seyle, was apprehended in the Earldom of Tyrol, and brought to Brixton. Never forgetting her promise to God at baptism, she held to the faith, neither departing to the left nor the right and was sentenced to death and drowned, thus receiving the martyrs' crown.
